Date of publication and production of master: 1975

Series: The purpose of this series is to make available those catalogues that have lasting interest through their text or their illustrations. Catalogues and cumulations of titles in the series are available from the publishers.

Serial numbers: Each title is given a seven-figure serial number placed in the top right hand corner of the microfiche title strip. This is an accession number. The first figure indicates the number of the list in which the title first appears: the first three-figure group signifies the gallery or museum; the second three-figure group the accession number for that title.

Copyright, microfiche edition: Crown copyright. Reproduced by permission of the Controller of Her Majesty's Stationery Office. The year of publication of the original to which this copyright refers is given on the title strip. No part of the publication reproduced on this microfiche may be reproduced in any form without permission from Her Majesty's Stationery Office and Chadwyck-Healey Ltd.

Location of original: The National Art Library, Victoria and Albert Museum, London.

Technical data:

Producing laboratory: Micromedia Ltd, Kidlington, Oxford.

Note:

These catalogues are being filmed from bound volumes in the Victoria and Albert Museum Library. We regret that in some cases text and illustrations are lost through tight binding.
